

Chrysler 440 Stroker Flat top-Indy or O.E. valve pockets, Light Weight, High Strength, .990 pin

FEATURES:

- Wiseco is the leader in forged Chrysler Big block pistons. Dedicated 2618 forgings insure the lightest weights possible. These are offered with precision domes and valve pockets- specifically built with large cams and milled heads in mind.
- RADIUS valve pockets
- Skirt design allows for .005 clearance w/ excellent wear properties
- Anti Detonation Grooves with the added benefit of keeping the top ring groove free of carbon
- Pressure groove for enhanced ring seal
- Features Chrome Moly pins and spiralox

Kit Part #	Bore	Comp. Height	Stroke	Rod	O Deck at	Std. Deck Ht.	Avg. Wt.	Volume	Compression ratio at:				Pin Part # (Included)	Std. Tension Rings (1/16,1/16,3/16)	Skirt Type
